Experience Letter

I am writing this letter to confirm that **Habtom Sibhat** was Contracted at **SiriTech Technology** from April-18-2023 to July-24-2023 , served as a dedicated and skilled Network Installation and Cable Management Specialist in **Zemen Bank HQ** during their tenure with us.

During their contract, Habtom Sibhat consistently exhibited a high level of professionalism, technical proficiency, and attention to detail in all their responsibilities. Their primary role was network installation and cable management, and they excelled in executing these tasks effectively and efficiently.

Key responsibilities and achievements include:

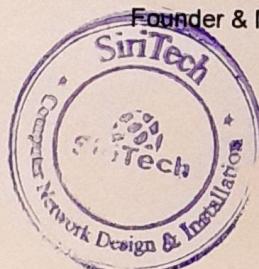

1. **Network Installation:** He was responsible for planning, implementing, and managing network infrastructure installations for the project. They demonstrated a deep understanding of networking concepts and protocols, ensuring seamless connectivity and reliable network performance.

2. **Cable Management:** With care, He managed the organization and labeling of network cables, maintaining a clutter-free and organized environment.

Throughout their employment, Habtom Sibhat exhibited a strong work ethic, reliability, and a commitment to delivering high-quality results. Their technical competence, interpersonal skills, and dedication had a positive impact on our projects and operations.
